

# STALE CHIPS

## Who we are

A dedicated team of **people nerds** who are wholeheartedly in love with **problem-solving**. We align teams to take action with customized workshops.

## How we help

**Strategy & Planning**  
Develop an actionable and tangible 3-5 year roadmap.

**Teambuilding & Collaboration.**  
Expand and activate the potential of your high-performing team.

**Silo-Busting**  
Break down barriers to save time, money, and effort.

## Our Special Salsa

### Clarity

Aligning strategy with action & collaboration.

### Engagement

Energizing the team and maximizing knowledge-sharing.

### Validation

Knowing before going. Testing ideas before wasting resources.

### Creativity

Tapping into each person's creative confidence.

## Make it tangible

**One workshop is worth a thousand meetings**

What does it all mean? We use a blend of techniques from design, sales, psychology, and kindergarten teachers to help empower your team towards creating their own successes. By making conversations intentional and our sessions interactive, **we make results tangible**.
